

The Kingswinford School

IMPORTANT NOTICE

Dear Sports Hall User

Ref : Car park, safety issues

The Kingswinford School takes all matters of health and safety extremely seriously and therefore may I kindly ask all hirers to remind visitors and car owners, who use the school site and who are associates with your club / organisation, that our school for health and safety reasons operates a strict one way in and out vehicle access system which must be adhered to at all times. Visitors to the school should not enter the site via the no entry points.

Also, we ask if all users can strictly adhere to the 5mph speed limit whilst on the school site. This speed limit is in force for health and safety reasons to ensure that all users of the school, including children and adults, can use the premises in a safe manner.

Please note vehicles are parked at owners risk and a CCTV system is in place throughout the school site.

To assist you in communicating this important health and safety message to all of your users, I have attached a map which highlights the school's one way system. Should you need any printed copies of this map then please do not hesitate to contact me and I will be happy to assist.

Your co-operation on the above is very much appreciated and necessary to ensure the safety of all visitors to the school.
